

APPLE PROFILE

Juicy, crisp and **exceptionally sweet**. Ruby red with distinct stripes.

SELLING POINTS

30% **sweeter** than Honeycrisp apples.

When tested, KIKU® brand apples contained sugar levels that blasted off the charts, an incredible 30% higher than the highly coveted Honeycrisp.

In 2015, KIKU® apples rocketed into space on board a resupply shuttle headed to the International Space Station.

KIKU is a registered trademark of KIKU Srl-GmbH, Italy, not an apple variety.
